

What think Ye about The Bible?
Part 2.

Having previously concluded that we cannot expect unsaved (lost) and unregenerate (not born again) people within the MSM culture to produce truthful and accurate information about the Bible, we will continue to pursue our quest. Where, then, shall we go in our inquiry for TRUTH About the Bible.

Ah, shall we go to the multiplicity of MEGA CHURCHES that seem to be "blossoming" in all corners of the USA?

These "churches" seem to produce huge attendance and membership. They have many ministries, interesting lightening effects, resounding music, and electrifying worship leaders.

Can we go to these churches to find truth about the Bible?

Sadly, NO!

In my humble opinion most of these MEGA "PALACES" have been greatly influenced by the worldly culture, and they seek to cater to the "fleshly" aspirations of human nature rather than focusing on the edification or building up of the "inner" man through preaching and teaching in the power of the Holy Spirit of God according to the Word of God, the Bible. May I add that when I say in the power of the Holy Spirit of God I am not talking about the pseudo, blasphemous, counterfeit "spirit" that is so prevalent in many places, where we see people falling down, doing back flips, running or climbing ropes inside of the auditorium as part of their "worship" service.

In addition the teaching/ preaching in these places is scantily shallow, wanting the sound exposition of the key doctrines of true Biblical Christianity.

Furthermore, many of the leaders of these MEGA "churches are wealthy beyond measure, owning mansions, yachts and airplanes among other items. The life styles of these men and "women" can hardly be listed as being emblematic of Biblical modesty, demeanor, humility and lowliness of mind.

Finally, among the leaders of these MEGA CHURCHES are some that are downright heretic, teaching false doctrines.

Thus in conclusion, it would not be a sound tactic to try to glean truths about the Bible from these oversized organizations which boast multiple campuses.

So, where do we go to obtain truth about the Bible?
