

## Creation Resources

Psalm 145:4 “One generation shall praise **thy works** to another, and shall declare **thy mighty acts.**”

There are multitude of resources available which provide sound answers to questions regarding the truth of the biblical account of creation, which also strongly refute the fallacies of evolution.

Please keep in mind that Biblical creationists are few in number when compared to the rest of the world, which believes in the Big Bang Theory and the subsequent **materialistic, undirected, natural selection theory of evolution**. Their voices are loud, strong and sound authoritative. Most of the scientific community as well as the educational institutions are fully persuaded to their ideology, and this is supported by the Main Stream Media.

In addition, there are many Christians and Christian organization, **who have caved in** under the pressure of this false “scientific” truth. Out of 115 Christian Educational only 5 affirmed the Genesis account of creation. All the rest claimed it is a SECONDARY ISSUE in the Bible.

Believer, we need not squirm or retreat into a corner when this discussion arises. We can speak with the Authority of God and give a sound apologetic defense for the literal account of Creation of the universe in six literal days, exactly as it is written in Scripture. **Thus Saith The LORD.**
